

1.2 Expressing Ideas and Questions Tool: What do you think happens when bread molds?

Draw labeled arrows to show *your ideas* about what might be moving into, out of, or through the mold on the bread. Think about what materials are moving and how they might be moving.

What goes in: List all the things you can think of that go into the mold.

What comes out: List all the things you can think of that come out of the mold.

What is the mold doing with the bread?

What does the mold do with air?

Your Explanation: Write your explanation for what happens when bread molds. Think about what materials and processes you listed in your drawing above.

Your Questions: What questions do you currently have about how bread molds?
