1.2 Expressing Ideas and Questions Tool: How do you think a plant grows, moves, and functions?

**Draw** labeled arrows to show your ideas about what might be moving into, out of, or through the radish plant. Think about what materials are moving and how they might be moving.

![Radish Plant Diagram]

<table>
<thead>
<tr>
<th>What goes in:</th>
<th>What comes out:</th>
</tr>
</thead>
<tbody>
<tr>
<td>List all the things you can think of that go into the plant.</td>
<td>List all the things you can think of that come out of the plant.</td>
</tr>
</tbody>
</table>

**Your Explanation:** Write your explanation for how a plant grows, moves, and functions. Think about what materials and processes you listed in your drawing above.
